Orig. Code: BI

Board Legislative Program

The Board shall operate within the bounds of state and federal laws affecting public education; therefore, the Board shall attempt to represent the will of the community by initiating and maintaining a legislative program designed to:

1. Promote the passage of new laws which may improve education;
2. Promote the repeal or modification of existing laws that impede educational progress.

In this regard, the superintendent shall maintain liaison with state and federal legislators.

The superintendent will keep the Board informed of state legislative proposals that affect education. The Board may offer recommendations as a group or as individuals to legislators and legislative committees on proposals that will affect the district or public education in general. The Board may direct the superintendent to pursue specified action regarding legislation.
