## Superintendent

The superintendent shall be the district's chief executive officer and has, under the Board's direction, general supervision of all district schools, personnel and departments. The superintendent is responsible for managing the schools under the Board's policies and is accountable to the Board for that management.

The length of contract and compensation shall be determined by the Board. Contracts shall not be issued for more than three years at a time. The contract shall automatically expire at the end of its term. The Board may, however, elect to issue a subsequent contract for not more than an additional three years at any time.

The superintendent may delegate to other district personnel any powers and duties imposed upon the superintendent by Board policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
