Emergency Closures**

The superintendent is empowered to close the district schools or to dismiss schools early in the event of hazardous weather or other emergencies which threaten the health or safety of students and personnel. While it may be prudent, under certain circumstances, to excuse all students from attending school, to delay the opening hour or to dismiss students early, the administration has the responsibility to see that as much of the administrative, supervisory and operational activity is continued as may be possible. Therefore, only schools affected will be closed.

At the beginning of each school year students, parents and staff will be informed of the procedures used to notify them in case of an emergency closure.
