

La Grande School District 1

Code: **FEC**
Adopted: 4/9/03
Readopted: 4/11/07; 4/30/08
Orig. Code(s): FEC

Facilities Development Plans and Specifications (Size and Location of School and School Sites)

New school sites should be located in the attendance area the schools are expected to serve. It is also desirable for school(s) to be located in such a way as to facilitate joint use of the sites and adjacent parks and playgrounds by both the schools and the city parks. Prior to the district purchasing land for a school site, a site utilization study shall be made. The site utilization study should show the layout of the proposed buildings and grounds, parking areas and roads, and play field area, as well as future additions and the expansion necessary to accommodate the site's maximum proposed enrollment. An environmental site assessment should be made of the proposed site prior to purchase.
