School Year/School Calendar

The Board will approve the school year calendar for the upcoming year no later than its April meeting following due consideration of the recommendation of the superintendent and the input from staff, parents and the community. After Board approval, any modification of the calendar will require Board action.

The superintendent will develop a school calendar that satisfies the requirements of Oregon Administrative Rule (OAR) 581-022-2320. The calendar will include the number of student hours, number of workdays for staff and holidays. The calendar will meet or exceed state requirements. The starting and ending times for the school day will be established annually by the superintendent.

Any instructional hours lost will be made up to ensure that the state-required number of hours are met by the district.
