

Lake County School District 7

Code: **BCD**
Adopted: 8/12/02
Readopted: 10/25/10
Orig. Code(s): BCD

Board-Superintendent Relationship

It is the policy of the Board to reserve to itself the setting of policies and priorities, the employment and appraisal of the services of the superintendent and to assign and hold the superintendent responsible for all the administrative functions of the district as delineated in the superintendent's contract, job description and policies of the district.

Administrative Responsibility

The Board holds the superintendent responsible for the administration of its policies, the execution of Board decisions, the operation of the internal machinery designed to serve the district programs, for keeping the Board informed about district operations and problems and for any other concern as delegated by the Board. The Board expects advice from and consultation with the superintendent on the procedures for implementing Board policies and such other matters as are necessary for the efficient management of the district.

Effective Communication

The superintendent may propose and the Board approve a liaison system designed to provide for adequate and effective communication between the Board, the superintendent, the staff, the students and the patrons of the district.

Advisory Committees

The superintendent may form advisory committees as needed. Such committees may include district employees and representatives of the public as appropriate.

Evaluations

The Board will evaluate and review the services of the superintendent in accordance with provisions of the superintendent's contract.
