PARENT-GUARDIAN CONSENT FORM

District buses are normally used for the transportation of students to educational and recreational activities held away from the school site. There are times, however, when it is not practical to provide a bus for transporting students. In order that all parents and guardians are aware of where their sons/daughters are traveling and how they are being transported, we are providing this form for you to sign as an acknowledgment from you to the school that the information has been communicated to you.

I, the undersigned, am the parent guardian of _____, who is a student in Lake County School District 7 and hereby give my consent for my child to participate in school activities which require transportation by private vehicles.
