

Post-Graduate Scholar Program

The district will provide a Post-Graduate Scholar program for students in the district. A “post-graduate scholar” means a student who has: been in grades 9 through 12 for more than a total of four school years; and satisfied the requirements for a high school diploma as provided by law. The Post-Graduate Scholar program may allow post-graduate scholars to: enroll in courses at a community college that are part of an approved course of study in the post-graduate scholar program in the district, in order to gain a certificate or diploma; enroll in the approved program courses of study for one school year after the post-graduate scholar has satisfied the requirements for a high school diploma in the district; and have the district pay the costs for such approved course of study, including tuition, fees and books.

Program Qualifications

A post-graduate scholar qualifies to participate in the program if the post-graduate scholar:

1. Has completed and submitted the Free Application for Federal Student Aid, if eligible to file the application;
2. Is not eligible for a grant under the Oregon Promise Program because of failure to earn the minimum cumulative grade point average, or submitted a complete application for a grant under the Oregon Promise program by the established deadline but did not receive a grant;
3. Is not eligible for a federal aid grant that is equal to or more than the average cost of tuition and fees at a community college, as determined by the U.S. Department of Education after Consultation with the Executive Director of the Office of Student Access and Completion; and
4. Retains a legal residence within the boundaries of the district through which the post-graduate scholar satisfied the requirements for a high school diploma.

The district establishes the following additional requirements:

1. A minimum high school GPA of 2.00;
2. An 80 percent attendance at community college courses; and
3. Regular in-person meetings with district staff to monitor progress held at least once each month.

Program Goals

The goals of the program include:

1. Increasing the high school graduation rate for underserved students to 80 percent

2. Increasing the percent of students from the district attending a postsecondary education institute.

The district will monitor program information at the end of each grading term and measure results at the end of each year. These results will be presented to the Board.

Other District Requirements

The district has entered into a written agreement with the community college that has a service area within which the district is located.

The district will provide dedicated staff to provide support services to post-graduate scholars, including regular in-person meetings to monitor student progress that occur at least once each month.

The district will ensure that a majority of the students from the district who are enrolled in courses at a community college meet at least one of the following criteria:
