Visits to the Schools/Noncustodial Parents **

It is the policy of the Board to encourage parents to visit their student's school, observe classes and meet the school staff by appointment when possible. However, in order to prevent disruption of a student's education, individual visits and nonemergency phone calls between a parent and student will be discouraged and all such contacts will be subject to the following requirements:

1. Noncustodial Parents: Unless otherwise ordered by a court, an order of sole custody in favor of one parent shall not deprive the other parent of access to education records and activities of their student. It is the responsibility of the custodial parent to provide the school with any court order that curtails the rights of the noncustodial parent;
2. Visitors: In order to ensure that no unauthorized persons enter the school, all visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building. Students will not be permitted to bring visitors to school without prior approval of the principal;
3. Unauthorized Visitors: Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Police may be called if the situation warrants such measures.
