ESD Superintendent/Control Responsibility

As chief executive officer, designated by the Board, the superintendent shall have the authority and responsibility to administer Lane Education Service District except where the law designates that responsibility to others. The superintendent may issue administrative rules, consistent with state statute and policies of the Board, which shall be binding on the employees and on students enrolled in programs of the ESD.

The superintendent may delegate to other ESD personnel any powers and duties imposed upon the superintendent by Board policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.

Each employee of the ESD shall be under the general direction of the superintendent. Staff members shall be immediately responsible to the administrator(s) or supervisor(s) under whom they work as indicated on the organizational chart.
