Superintendent's Contract/Superintendent's Compensation and Benefits

The superintendent, upon appointment by the Board, will receive a written contract which will state the terms of employment such as compensation, benefits and other conditions, and will include requirements for renewal or termination of the contract.

The compensation and benefits for the position of superintendent will be fixed by the Board, based upon the responsibilities required of the superintendent in performing his/her duties.

The Board may not enter into an employment contract that contains provisions that expressly obligates the ESD or school to compensate the superintendent for work that is not performed.

Provisions for termination of the superintendent's employment, either by the Board or the superintendent, will also be set forth in the superintendent's employment contract. For a period of one year after termination of the contract the superintendent may not:

1. Purchase property or surplus property owned by the ESD or school; or
2. Use property owned by the ESD or school in a manner other than the manner permitted for the general public.
