## Administrative Rules

The Board delegates to the superintendent the function of specifying required actions and designing detailed arrangements to operate the district in accordance with Board policy. These detailed arrangements constitute the administrative rules governing Lane ESD.

The superintendent will carefully weigh the counsel given by representatives of staff, component districts and community organizations regarding those administrative rules. He/She will inform the Board of such counsel in presenting administrative rules for Board review.

The Board reserves the right to review all administrative rules and procedures, but it will revise them only when, in the Board's judgment, they are inconsistent with policies set by the Board or when required by state or federal law.

Board members will receive copies of all new or revised district administrative rules. Staff and students will be advised of all administrative rules affecting them.
