Facilities Development Goals

To provide and maintain facilities that offer the best possible physical environment within existing budget constraints for learning and working, the Board aims specifically toward:

1. Providing buildings and renovations that will accommodate and facilitate those organizational and instructional patterns that support Lane ESD's philosophy and goals;
2. Meeting all safety requirements;
3. Providing building renovations as needed to meet state and federal requirements on the accessibility and usability of facilities for persons with disabilities;
4. Building design, construction and renovation that will allow low maintenance costs and the conservation of energy;
5. Gathering and analyzing appropriate data to evaluate the ESD's facilities needs on a long-range basis.
