Relations with Law Enforcement Agencies

It is the intent of the Board to maintain a cooperative relationship with law enforcement agencies. Law officers' presence and participation in Lane ESD programs are encouraged to promote a positive attitude by students toward police.

Law enforcement actions in a school building are disruptive to the educational process. Law enforcement activities relating to students or staff should not occur on school premises during the school day primarily for the convenience of the law enforcement agency. Whenever possible such contacts should be deferred to off-school premises either before or after the regular school day.
