Emergency Closures

ESD Offices

The superintendent shall determine when conditions warrant delayed opening, early closure or full-day closure of the ESD offices.

ESD Sites Located in Component District Facilities

When component districts have delayed opening, early closure or full-day closure, ESD staff assigned to those sites will be governed by such action regardless of the decision made concerning the ESD district office.

Compensation

Regular employees will be paid for the full day in the event of emergency action resulting in late opening, early closure or full-day closure.

Extended closures due to emergencies may result in a modification of the work calendar.
