

Long Creek School District 17

Code: **AB**
Adopted: 11/14/00
Readopted: 12/20/11
Orig. Code(s): AB

The People and Their School District

The Board believes: (a) the public schools belong to the people who created them by consent and who support them by taxation; (b) the schools are only as strong as the support received from people of the community; and (c) the support of the people must be based on knowledge and understanding of the aims and efforts of public schools.

The Board, therefore, reaffirms and declares its intent to:

1. Keep the citizens regularly and thoroughly informed through communication of policies, programs, concerns and planning and to carry out this policy through the efforts of the Board and district staff;
2. Invite the advice and counsel of people in the district, especially at open Board meetings;
3. Support citizen advisory committees appointed to consider concerns which affect the district.
