Executive Sessions

Executive sessions may be held during regular, special or emergency meetings for any reason permitted by law. Final action on an item discussed in executive session will be accomplished in open session except for the expulsion of students.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.660 for holding such session and by noting the subject of the executive session. Members of the press may attend executive sessions except those pertaining to deliberations with persons designated by the Board to carry on labor negotiations; hearings on the expulsion of minor students; matters pertaining to or examination of the confidential medical records of a student including that student's educational program; and current litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation. Attendance of the press is contingent upon acceptance of rules governing disclosure of information announced by the presiding officer at the beginning of the executive session.

An executive session may be convened upon request of three Board members or by common consent of the Board for a purpose authorized under ORS 192.660.

The minutes of an executive session held under ORS 332.061 (expulsion of a minor student from public school) will exclude the following: the name of the minor student; the issue, including a student's confidential medical records and that student's educational program; the discussion; and each Board member's vote on the issue.

All executive session minutes shall be kept in written form.

Content discussed in executive sessions is confidential and must not be made public. Documents pertaining to evaluation, district personnel and students are also confidential and must not be made available to the public.
