## Superintendent

The superintendent is the district's chief executive officer and has, under the direction of the Board, general supervision of the district, personnel and departments of the district. The superintendent is responsible for managing the district under the Board's policies and is accountable to the Board for that management.

The superintendent may delegate to other district personnel any powers and duties imposed upon the superintendent by Board policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
