

# Long Creek School District 17

Code: **CCB**  
Adopted: 12/12/00  
Readopted: 1/17/12  
Orig. Code(s): CCB

## Line and Staff Relations

The Board expects the superintendent to establish a clear understanding of working relationships in the district with all staff.

Lines of direct authority will be those approved by the Board and shown on district organization charts.

Staff will be expected to refer matters requiring administrative action to the administrator. Additionally, all staff are expected to keep the administrator informed of their activities by whatever means the administrator deems appropriate.

The established line of authority represents direction of authority and responsibility. In addition, this policy does not restrict protected labor relations communications of bargaining unit members. When the staff are working together, the lines represent an avenue for a two-way flow of ideas to improve the program and operations of the district.
