Budget Calendar

The district budget will develop and disseminate a Budget Calendar to the Board and public no later than the December Board meeting.

The calendar will include meeting for the following situations:

1. Nominating timeline for the Budget Committee members whose posts may be vacant at the November Board meeting;
2. Develop dates and places for staff and community input into the budget goals to be used for developing the budget;
3. Develop dates and times for the presentation of the budget to the community and the budget committee;
4. Develop dates and times for the review of the budget committees proposed budget during budget hearings;
5. Develop a date for adoption of the proposed budget, the annual tax rate and any supplement documentation to finalize the districts operating budget for the up-coming fiscal year.
