## Early Graduation\*\*

A student who, for sound educational and vocational reasons, wishes to graduate from high school in less time than the ordinary grade 9-12 sequence may request permission to complete graduation requirements on an altered schedule. The student and his/her parents will consult with high school guidance personnel in order to develop a graduation plan. Their intention to accomplish this plan will be stated in writing to the superintendent.

A student may satisfy graduation requirements in less than four years. The district will award a diploma to a student fulfilling graduation requirements in less than four years upon the student's request and if the student's parent or guardian consents, if required.

A student who has successfully completed the junior year with fewer than the required credits for graduation, and is then accepted at accredited college, may receive his/her high school diploma if, at the completion of the first semester, he/she is in good scholastic standing at the college.
