

Sexual Harassment Complaint Procedure

The compliance officer and the superintendent have responsibility for investigations concerning sexual harassment. The investigator(s) shall be a neutral party having had no involvement in the complaint presented.

- Step 1 Any sexual harassment information (complaints, rumors, etc.) shall be presented to the compliance officer or superintendent. All such information shall be reduced to writing and will include the specific nature of the sexual harassment and corresponding dates.
- Step 2 The district official receiving the information or complaint shall promptly initiate an investigation. He/She will arrange such meetings as may be necessary to discuss the issue with all concerned parties within five working days after receipt of the information or complaint. All findings of the investigation, including the response of the alleged harasser, shall be reduced to writing. The district official(s) conducting the investigation shall notify the complainant in writing when the investigation is concluded. The parties will have an opportunity to submit evidence and a list of witnesses.

A copy of the notification letter and the date and details of notification to the complainant, together with any other documentation related to the sexual harassment incident, including disciplinary action taken or recommended, shall be forwarded to the superintendent.

- Step 3 If a complainant is not satisfied with the decision at Step 2, he/she may submit a written appeal to the Board. Such appeal must be filed within 10 working days after receipt of the Step 2 decision. The Board shall, within 20 working days, conduct a hearing at which time the complainant shall be given an opportunity to present the appeal. The Board shall provide a written decision to the complainant within 10 working days following completion of the hearing.
- Step 4 If the complaint is not satisfactorily settled at the Board level, the employee may appeal to the U.S. Department of Labor, Equal Employment Opportunity Commission or Oregon Bureau of Labor and Industries; the student may appeal to the Regional Civil Rights Director, U.S. Department of Education, Office for Civil Rights, Region X, 915 2nd Ave., Room 3310, Seattle, WA98174-1099. Additional information regarding filing of a complaint may be obtained through the compliance officer or superintendent.

All documentation related to sexual harassment complaints may become part of the student's education record or employee's personnel file as appropriate. Additionally, a copy of all sexual harassment complaints and documentation will be maintained as a confidential file and stored in the district office.

The superintendent shall report the name of any person holding a teaching license or registered with Teacher Standards and Practices Commission (TSPC) or participating in a practicum under OAR 584-0150070 or 584-016-1075 when, after appropriate investigation, there is reasonable cause to believe the person may have committed an act of sexual harassment. Reports shall be made to the TSPC within 30 days of such a finding. Reports of sexual contact with a student shall be given to law enforcement representatives or Services to Children and Families representatives as possible child abuse. In the event the superintendent is the subject of the investigation, reports, when required, shall be made by the Board chair.
