Supervision of Students**

The Board expects all students to be under assigned adult supervision at all times when they are in school, traveling under school auspices or engaging in school-sponsored activities. Personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except as an arrangement has been made to take care of an emergency.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other persons designated by parents.
