Code: **JHFD**  
Adopted: 6/12/01  
Readopted: 10/16/12  
Orig. Code(s): JHFD

## Student Vehicle Use

Vehicles parked on district property are under the jurisdiction of the district. Students are not to be in or around vehicles during school hours without permission from the superintendent or his/her designee. Vehicles must be locked at all times. The vehicle is not to be driven from the school grounds during school time without permission from the superintendent. If a student is to use their vehicle at noon, for emergency purposes, a note must be presented to the superintendent each time of use.

The district requires that before parking privileges are granted, the student must show that he/she holds a valid driver's license, the vehicle is currently registered and that the student driving the vehicle is insured under a motor vehicle liability insurance policy or that the student or vehicle owner has provided the Oregon Department of Motor Vehicles with other satisfactory proof of compliance with the financial responsibility requirements of the state.

In applying for a parking permit, students will be notified that parking on district property is a privilege and not a right. Students will be notified that as a condition of parking on district property, district officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule, and/or regulation violation.
