Recruitment and Appointment of the Superintendent

To provide the most capable leadership available for the district, the Board may engage in a nationwide search for applicants for the position of superintendent whenever a vacancy in that position occurs. Consultants may be engaged to assist in screening candidates to be interviewed by the Board and to encourage the filing of applications by professional educators who meet the qualifications.

The Board will appoint the superintendent by a majority vote of the Board members at a meeting for which notice has been given of the intended action.
