The Board's legal authority will be delegated through the superintendent to the administrative staff as shown in the Board-approved organizational structure chart of the district.

Lines of authority on the chart represent direction of authority and responsibility.

The superintendent shall submit to the Board for approval an administrative organizational structure, including an organizational chart for the district. The superintendent may reorganize lines of authority and revise the organizational chart subject to Board approval of major changes and creation or elimination of positions. The Board expects the superintendent to keep the administrative structure current with the needs for supervision and accountability within the school system.
