

Use of Automated External Defibrillator (AED)

As the district has made an automated external defibrillator (AED) available for emergencies, the following conditions must be met prior to its use:

1. Any person using the AED should possess a current CPR/AED card and have received instruction in the use of the AED and successfully completed a course in cardiopulmonary resuscitation (CPR) in a course approved by the Department of Human Services within the last 24 months.
2. The district must train a sufficient number of employees in the use of the AED at each school or site to comply with state or federal law and so that at least one trained employee may be reasonably expected to be present during school hours. Names of the designated employees will be posted.

Coaches and volunteers will also be encouraged to be trained in the use of the AED so that a trained person may be present during after-school activities.

3. Prior to using the AED, the user, if alone, must call 9-1-1 or another emergency phone number serving the area before starting any intervention. If another person is available, the user of the AED shall start the intervention immediately and direct other(s) to call 911 or another emergency phone number serving the area. All users must follow all emergency procedure protocols as outlined in the training and adopted by the district.
4. The AED, its battery and its electrodes must be maintained, inspected, and serviced as recommended by the manufacturer, by an individual that has been properly trained in the maintenance and use of the AED and has been designated to do so by the district. The maintenance and testing information shall be kept in a dated log to be stored with the equipment along with the signature of the individual responsible for its upkeep.
5. The AED must be stored in a location from which the AED can be quickly retrieved during school hours. The presence and location of each AED must be clearly indicated.
6. Maintenance, use, and storage of the defibrillator will be in compliance with any applicable state and or federal laws.
