Management of Food Services

The district shall provide meals that meet the federal nutritional guidelines.

The district shall operate a program which makes free or reduced school meals available to students from eligible low-income families. Eligibility for participation in the district program shall be in conformance with federally-mandated guidelines.

The district shall provide meals on an offer vs. serve program.

The sale of items from the USDA Categories of Foods of Minimal Nutritional Value during the breakfast and/or lunch periods in the food service area is permissible outside the food service.

The Food and Nutrition Service Program shall comply with all Oregon Administrative Rules and Regulations under Chapter 581, Division 51.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools.
