Memorials

It is the policy of the district to consider acceptance of memorials to honor individuals or groups. The Board has sole authority in determining placement of memorials on district properties. The superintendent may establish guidelines for the consideration of memorial requests.

Memorial recognitions may include, but are not limited to, scholarships, plaques or building designations in honor of a person who has special significance to students, the district, or the community.

Requests for memorial recognition shall be submitted for approval to the Board together with information concerning the purpose of the memorial and the nature of the type of recognition.

If approved by the Board, items received as memorials shall become the property of the district.
