

Establishment of Alternative Education Programs

The superintendent or designee will develop alternative education program options in compliance with Oregon Administrative Rules and Oregon Revised Statutes:

1. For students who are unable to succeed in the regular programs because of erratic attendance or behavioral problems;
2. For students who have not met or who have exceeded all of Oregon's academic content standards;
3. When necessary to meet a student's educational needs and interests;
4. To assist students in achieving district and state academic content standards;
5. When a public or private alternative education program is not readily available or accessible.

Alternative education programs implemented by the district are to maintain learning options that are flexible with regard to environment, time, structure and pedagogy.

Examples of alternative education program options could include:

1. A different school;
2. Professional technical programs;
3. Cooperative work experience and/or supervised work experience, in accordance with the student's educational goals;
4. Instructional activities provided by institutions accredited by the Northwest Association of Schools and Colleges.

The superintendent or designee will develop administrative regulations for establishing alternative education programs.
