

Student Dress and Grooming**

Responsibility for personal dress and grooming rests primarily with students and their parents. However, the district will set standards for dress, grooming and appearance in the following ways:

1. Dress and grooming must not create health or safety problems for the student or others who attend or work in the school;
2. A student's dress or appearance must not disrupt or interfere with the educational process;
3. Students may not wear clothing or accessories that signify or are recognized as indicating an affiliation with any gang or secret society as those terms are defined in Board policy;
4. Clothing, jewelry and accessories shall be free of writing, pictures or any other insignia that are vulgar, profane, violent or sexually suggestive or that advocate racial, ethnic or religious prejudice or that promote the use or displays of drugs, tobacco or alcohol.

If the student's appearance violates one of the standards listed above, the student may be denied the right to attend school until the problem is corrected.

Students participating in voluntary extracurricular activities must conform to any required dress and grooming standards established by the coach or adviser with the concurrence of the school administration.
