Student Vehicle Use

Student vehicles may be operated on school premises subject to the following conditions:

1. All school rules, including parking regulations, and all local and state traffic laws must be obeyed.
2. All motorized vehicles driven to school must be registered with the school.
3. Permission to use student vehicles during school hours must be obtained through the principal or his/her designee, and no student shall be permitted to leave the school grounds during school hours without permission of the principal or designee.
4. Students are not allowed access to vehicles parked on campus during the school day unless specific permission has been granted.

Any students who violate this policy are subject to disciplinary action.

Vehicles used by students for transportation to school or school events that are parked on district property may be searched by school staff or by police acting in response to administrator request, upon reasonable suspicion that the vehicle contains illegal or prohibited items or evidence of violation(s) of law or school rules.
