## Board Meeting Agenda

The superintendent will prepare an agenda for all regular meetings of the Board. Items of business for the agenda by any Board member, staff member, student or citizen of the district shall be communicated to the superintendent.

The agenda will follow a general order established by the Board. Opportunities for the audience to be heard will be included. The Board will follow the order of business set up by the agenda unless the order is altered by the consensus of the Board.

Items of business not on the agenda may be discussed and acted upon if the majority of the Board agrees to consider them.

The agenda, together with supporting data, will be distributed to Board members at least two days prior to the meeting. The agenda will be available to the press and the interested parties through the superintendent's office at the same time as it is made available to the Board members. Copies of confidential information will not be made available to the press or general public.

The district will ensure equally effective communications are provided to qualified persons with disabilities upon request as required by the Americans with Disabilities Act.

Appropriate auxiliary aids and services may include large print, Braille, audio recordings and readers. Primary consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.

Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial and administrative burdens, alternate, equally effective communications will be used.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual.
