

Lowell School District 71

Code: **EEAE**
Adopted: 10/24/11
Readopted: 5/19/14
Orig. Code(s): EEAE

Student Transportation in Private Vehicle

Transportation of students will be by the district's transportation system. Parents, employees and other designated adults over the age of 21 years may be permitted to use private vehicles to transport students other than their own on field trips, sporting events or other school activities if the following conditions have been met prior to the activity:

1. The school administrator has approved the activity;
2. A permission slip, signed by the parent, has been received by the principal or his/her designee, granting permission for the student to participate in the field trip/activity and to ride in a privately-owned vehicle;
3. The parents, employees and other designated adults driving the vehicle are properly licensed to drive and have provided proof of insurance to the district. Such insurance shall meet or exceed minimum requirements as established by the state of Oregon and asset by the district;
4. The adult driver requires the use of seat restraints and the vehicle contains an adequate number of seat restraints, including when applicable, a child safety system for a child who weighs less than 40 pounds, regardless of age, and the adult driver requires their use. The child safety system must elevate the person so that a safety belt or safety harness properly fits the individual and meets the minimum standards and specifications of law. A person over 40 pounds or who has reached the upper weight limit for the forward-facing car seat must use a booster seat until he/she is four feet nine inches tall or age eight and the adult belt properly fits.¹ A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under ORS 815.055. Training in the proper installation and use of child safety system may be required;
5. No mileage will be paid for the use of private vehicles for participation in any extracurricular activities unless approved and authorized by the superintendent prior to the activity.

END OF POLICY

¹“Proper fit” means the lap belt of the safety belt or safety harness is positioned low across the thighs and the shoulder belt is positioned over the collarbone and away from the neck.
