Resignation of Licensed Staff

A licensed staff member who wishes to resign from his/her position with the district must give written notice of at least 60 days at or upon the time of resignation. The superintendent is authorized to accept the resignation effective the day it is received and either release the licensed staff member immediately from further teaching or administrative obligations or inform the licensed staff member that he/she must continue teaching for part of all of the 60-day period or risk decertification for the remainder of the school year. The Board, at its next meeting, will ratify the action of the superintendent.

Where less than 60 days notice is given, the Board may request the Teacher Standards and Practices Commission to discipline the licensee. Exceptions due to emergency or other extenuating circumstances may be considered by the Board.
