Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district.

Films/videos rated G or PG may be shown as part of the school program. Films/videos rated PG-13 may be shown in grades 7-10 with prior principal approval and written parental permission. Films and videos rated R may be shown to students in grades 11 and 12 with prior principal approval and written parental permission.
