## Political Figures in District Facilities

The Board will support the participation of major political figures in a variety of school events. Such events include, but are not limited to, dedications, awards assemblies, commencement and curricular innovations such as a mock convention.

Political candidates may be allowed to speak to classes or clubs during the school day if, in the judgment of the administration, the presentation is a desirable supplement to the instructional program. If such presentation is permitted, any other candidate who has filed for the same office will, upon request, be allowed equal time.

Each candidate, whether or not the incumbent, will be expected to adhere to the rules and procedures established by the principal and any other related district policies governing outside resource persons and/or controversial speakers.
