

## Student Dress and Grooming\*\*

The Board encourages students to dress appropriately for classroom and school activities, however, responsibility for dress and grooming rests primarily with students and their parents. Parents and students are expected to exercise good judgment and taste in dress and grooming. The Board is aware that styles of dress and grooming change, therefore, the Board will review specific standards set forth in the student handbook on an annual basis.

The following general guidelines include:

1. A student's dress and grooming shall not disrupt or interfere with the classroom learning environment;
2. A student's dress and grooming shall not constitute a health or safety hazard to the student concerned or to other students.

Students participating in extracurricular activities do so by choice, and as such, may be required by the coach or advisor to wear specific attire and may be restricted to certain types of grooming.
