

Reimbursable School Meals and Milk Programs

The public charter school's nutrition and food services will be operated in accordance with the following requirements:

Meal Pricing Procedures

1. Reimbursable meals will be priced as a unit.
2. Reimbursable meals will be served free or at a reduced price to all children who are determined by the public charter school to be eligible for free or reduced price meals.
3. Annually, the public charter school will establish prices for reimbursable student meals. The price charged to students who do not qualify for free or reduced price meals will be established annually by the public charter school in compliance with state and federal laws.
4. The price charged to students who qualify for reduced price meals will be established annually by the public charter school in compliance with state and federal laws.

Application Procedures

1. Households receiving SNAP or Temporary Assistance to Needy Families (TANF) benefits, as identified by Oregon Department of Education (ODE), will be automatically eligible for free meals for the students listed on the official document. Public charter schools must access this document at least three times per year.
2. Students receiving support through the migrant education program, Runway and Homeless Youth Act, McKinney-Vento Homeless Assistance Act, federal Head Start and state-funded prekindergarten programs, with income eligibility criteria identical or more stringent than federal Head Start, or are in state or court placement foster care, will be automatically eligible for free meals for the students listed on the official documents.
3. Households that submit a confidential application will be notified of their student's eligibility for free or reduced price meals. Households that are denied free or reduced price benefits will be notified in writing using the ODE template letter distributed to the public charter school annually.
4. On a case-by-case basis, when a student is known to be eligible for free or reduced price meals benefits, and the household fails to submit a confidential application, the public charter school administrator or designee may complete an application for the student documenting how he/she knows the household income qualifies the student for free or reduced price meal benefits. Parents of a student approved for free or reduced price benefits, when application is made for the student by a school official, will be notified of the decision and given the opportunity to decline benefits.

5. Students who do not qualify for free or reduced price meals are eligible to participate in the National School Lunch Program (NSLP) and will be charged "paid" meal prices set by the public charter school. "Paid" category students will be treated equally to students receiving free or reduced price benefits in every aspect of the public charter school's NSLP.
6. The public charter school has established a fair hearing process under which a household can appeal a decision with respect to the household's application for benefits or any subsequent reduction or termination of benefits.
7. In the event of major employers contemplating large layoffs in the attendance area of the public charter school, the public charter school will provide confidential applications and eligibility criteria for free and reduced price meals to the employer for distribution to affected employees.

Financial Management of the Nonprofit School Food Service

1. The public charter school will maintain a nonprofit school nutrition and food service operation.
2. Revenues earned by the school nutrition and food services will be used only for the operation or improvement of NSLP, SMP, SBP, CACFP and SFSP.
3. Lunch and breakfast meals served to teachers, administrators, custodians and other adults not directly involved with the operation of the public charter school nutrition and food services will be priced to cover all direct and indirect cost of preparing and serving the meal.¹
4. Public charter school nutrition and food services revenues will not be used to purchase land or buildings.
5. The public charter school will limit its nutrition and food services net cash resources to an amount that does not exceed three months average expenditures.
6. The public charter school will maintain effective control and accountability for, and adequately safeguard, all nutrition and food services' cash, real and personal property, equipment and other assets, and ensure they are used solely for nutrition and food services purposes.
7. The public charter school will meet the requirements for allowable NSLP, SMP, SBP, CACFP and SFSP costs as described in 2 C.F.R. 200.
8. In purchasing nutrition and food services goods or services, the public charter school will not accept proposals or bids from any party that has developed or drafted specifications, requirements, statements of work, invitations for bids, requests for proposals, contract terms and conditions or other documents for proposals used to conduct the procurement.
9. All procurement transactions for nutrition and food services goods and services will be conducted according to state, federal and ESD procurement standards using the applicable cost thresholds.

¹For meals with portion sizes equivalent to student meals, the adult meal price will be no less than the amount of reimbursement for a free-eligible meal, plus the value of commodity foods used in the meal preparation.

10. In the operation of its nutrition and food services program, the public charter school will purchase food products where at least 50 percent of the ingredients are produced or processed in the United States, whenever possible.

Civil Rights and Confidentiality Procedures

1. The public charter school will not discriminate against any student because of his/her eligibility for free or reduced price meals.
2. The public charter school will not discriminate against any student or any nutrition and food services employee because of race, color, national origin, marital status, sex, sexual orientation, parental status, religion, age or disability.
3. The public charter school will assure that all students and nutrition and food services employees are not subject to different treatment, disparate impact or a hostile environment.
4. Established public charter school procedures will be followed for receiving and processing civil rights complaints related to applications for NSLP, SMP, SBP, CACFP and SFSP benefits and services, and employment practices with regard to the operation of its NSLP, SMP, SBP, CACFP and SFSP. The public charter school will forward any civil rights complaint regarding the public charter school's nutrition and food services to ODE's director of Nutrition Programs within three days of receiving the complaint.
5. The public charter school will make written or oral translations of all nutrition and food services materials available to all households who do not read or speak English.
6. The public charter school will maintain strict confidentiality of all information obtained through a confidential application for free and reduced price meals or direct certification, including students' eligibility for free or reduced price meals and all household information. The public charter school's NSLP operators are not required to release any information from a student's confidential application for free or reduced price meals. No information may be released from a student's eligibility information without first obtaining written permission from the student's parent or legal guardian/adult household member signing the application, except as follows:
 - a. An individual student's name and eligibility status may be released without written consent only to persons who operate or administer federal education programs; persons who operate or administer state education or state health programs at the state level; persons evaluating state, education assessment; or persons who operate or administer any other NSLP, SBP, SMP, CACFP, SFSP or SNAP;
 - b. Any other confidential information contained in the confidential application for free and reduced price meals (e.g., family income, address, etc.) may be released without written consent only to persons who operate or administer the NSLP, SBP, SMP, CACFP, SFSP and the Special Supplemental Nutrition Program for Women, Infants and Children (WIC); the Comptroller General of the United States for audit purposes; and federal, state or local law enforcement officials investigating alleged violation of any of the programs listed above.

Nutrition and Menu Planning

1. Meals and afterschool snacks served for reimbursement will meet the current Dietary Guidelines for nutrition standards established by the U.S. Department of Agriculture (USDA) and Oregon Smart Snacks Standards.
2. Meals served for reimbursement will meet at least the minimum NSLP, SMP, SBP, CACFP and SFSP requirements for food items and quantities.
3. Meals served for reimbursement will:
 - a. Meet all calorie range requirements by grade level;
 - b. Meet the maximum standards set for saturated fat;
 - c. Meet the maximum standards set for sodium by grade level; and
 - d. Meet the requirement for zero grams of trans fats.
4. The public charter school will use the serve versus offer option when serving program breakfast and lunches to students below senior high school grades. Students below high school grades will be given to take three of the five food items, including one-half cup of fruit or vegetable offered in program lunches.
5. A copy of the public charter school board minutes adopting the offer versus serve policy for students below high school grades for program lunches and/or for all students in the public charter school for program breakfasts, as applicable, will be made available upon request.

Use and Control of Commodity Foods

1. The public charter school will accept and use commodity foods in as large a quantity as may be efficiently utilized in the NSLP.
2. The public charter school will maintain necessary safeguards to prevent theft or spoilage of commodity foods.
3. The value of commodity foods used for any food production other than NSLP, SBP, SFSP or afterschool snacks shall be replaced in the food service inventory.

Accuracy of Reimbursement Claims

1. The public charter school will claim reimbursement only for reimbursable meals served to eligible children.
2. All meals claimed for reimbursement will be counted at each dining site at a "point of service" where it can be accurately determined that the meal meets NSLP, SMP, SBP, CACFP and SFSP requirements for reimbursement.
3. The person responsible for determining reimbursability of meals will be trained to recognize a reimbursable meal.

4. The public charter school official signing the claim for reimbursement will review and analyze monthly meal counts to ensure accuracy of the claim, before submitting the claim to ODE.
5. Annually, by November 15, the public charter school will verify a random sample of applications according to NSLP verification requirements. Instructions for completing the verification process will be sent by ODE to the public charter school in October each year.

Food Safety and Sanitation Inspections

1. The public charter school will maintain necessary facilities for storing, preparing and serving food and milk.
2. Semiannually, the public charter school will schedule food safety inspections with the county Environmental Health Department for each public charter school or dining site under its jurisdiction.
3. The public charter school will maintain health standards in compliance with all applicable state food safety regulations at each school or dining site under its jurisdiction.

General USDA NSLP/SBP/SMP Requirements

1. The public charter school will ensure that no student is denied a meal as a disciplinary action.
2. Breakfast will be served in the morning hours, at or near the beginning of the student's school day.
3. Lunch will be served between the hours of 10 a.m. and 2 p.m.
4. The public charter school will provide substitute foods for students with a disability² that restricts their diet when supported by a written statement from a state-licensed health care professional, who is authorized to write medical prescriptions. Substitutions will be provided only when a medical statement from the licensed health care professional is on file at the school. The medical statement must state the nature of the child's impairment so its effect on the student's diet is understood, and what must be done to accommodate the impairment. The public charter school will not charge more than the price of the school meal, as determined by the child's eligibility status, for meals with the accommodation.
5. The public charter school will control the sale of competitive foods.
6. The public charter school will ensure that potable drinking water will be available to students, free of charge for consumption in the place where meals are served during meal service.
7. The public charter school will notify all households of its meal charge requirements early in the school year. The public charter school's meal charging requirements are as follows:

A charge account for students paying full or reduced price for meals may be established with the public charter school. Students or parents of students may prepay meal costs. All students will

²To comply with Section 504 as it relates to a student's severe food allergy, such as milk, gluten, nut or soy, and including but not limited to diabetes, colitis, etc.

receive a lunch regardless of ability to pay. The office will send email notifications weekly to parents to apprise them on lunch account balances.

8. Students will be charged for second servings of meals or portions of meals served.

Record Keeping

The following documents will be maintained by the public charter school for three years after the current school year or longer, in the event of an unresolved audit(s), until the audit(s) has been completed:

1. All currently approved and denied confidential applications for free and reduced price meal all current direct certification documents, eligibility verification documents and membership or enrollment lists;
2. Financial records that account for all revenues and expenditures of the public charter school's nonprofit nutrition and food services programs, including procurement documents;
3. Records (i.e., recipes, ingredient lists and nutrition fact labels or product specifications) that document the compliance with nutrition standards for all program and competitive foods available for sale to students at a school campus;
4. Documents of participation data (i.e. meal counts) from each school in the school to support claims for reimbursement;
5. Production and menu records;
6. Records to document compliance with Paid Lunch Equity;
7. Records to document compliance with Revenue from Nonprogram Foods; and
8. Internal program monitoring documents for NSLP, SMP, SBP, CACFP and SFSP.
