Staff - HIV, AIDS and HBV

The public charter school will strictly adhere in its policies and procedures to the Oregon Revised Statutes and Oregon Administrative Rules as they relate to staff infected with HIV, AIDS or HBV¹.

The public charter school recognizes a staff member has no obligation under any circumstance to report his/her condition to the public charter school and the staff member has a right to continue working.

If the staff member reports his/her condition to the public charter school, strict adherence to written guidelines outlined by the staff member shall be followed.

These guidelines shall identify who may have the information, who will give the information, how the information will be given, where and when the information will be given. All such information will be held in confidence in accordance with Oregon Revised Statutes.

When informed of the infection, and with written, signed permission from the staff member, the public charter school will develop procedures for formulating an evaluation team. The team shall address the nature, duration and severity of risk as well as any modification of activities. The team shall continue to monitor the staff member's condition.

Accommodations for a staff member infected with HIV, AIDS or HBV shall be the same as with any other illness.
