Sick Time

“Employee” means an individual who is employed by the public charter school and who is paid on an hourly, stipend or salary basis, and for whom withholding is required under Oregon Revised Statute (ORS) 316.162-316.221. The definition does not include volunteers or independent contractors.

Employees qualify to begin earning and accruing sick time on the first day of employment with the public charter school.

A public charter school employing 10 or more employees shall allow an eligible employee to access up to 40 hours of paid sick time per year. Paid sick time for substitute employees shall accrue at the rate of at least one hour of paid sick time for every 30 hours the employee works. 40 hours of paid sick time for exempt employees, shall be front-loaded to an employee at the beginning of each year. 40 hours of paid sick time and/or paid time off for classified employees shall be front-loaded to an employee at the beginning of each year. Executive Director Paid Sick Leave and PTO will be negotiated in yearly contract.

The employee may carry up to 40 hours of unused sick time from one year to the subsequent year. An employee is limited to using no more than 40 hours of sick time in a year.

Sick time shall be taken in hourly increments and may be used for the employee’s or a family member’s¹ mental or physical illness, injury or health condition, need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or need for preventive care, or for reasons consistent with the Family Medical Leave Act (FMLA) or OFLA. Sick time may also be used in the event of a public health emergency.

The use of sick time may not lead to, or result in, an adverse employment action against the employee.

The public charter school reserves the right after three consecutive days of absence, to require proof of personal illness or injury from an employee, including a medical examination by a physician chosen and paid for by the public charter school. An employee refusing to submit to such an examination or to provide other evidence as required by the public charter school, shall be subject to appropriate disciplinary action, up to and including dismissal.

When the reason for sick time is consistent with FMLA/OFLA leave, the sick time and the FMLA/OFLA leave may run concurrently.

¹“Family member” is defined by the Oregon Family Leave Act (OFLA).

If the reason for sick time is a foreseeable absence, the public charter school may require the employee to provide advance notice of their intention to use sick time within 10 days of the requested sick time, or as soon as practicable. When the employee uses sick time for a foreseeable absence, the employee shall take reasonable effort to schedule the sick time in a manner that does not unduly disrupt the operations of the public charter school (e.g., grading deadlines, in-service training, mandatory meetings).

If the reason for sick time is unforeseeable, such as an emergency, accident or sudden illness, the employee shall notify the public charter school as soon as practicable.

The public charter school shall establish a standard process to track the eligibility for sick time of a substitute.
