

## Public Complaint Procedure

### Initiating a Complaint: Step One

Any member of the public who wishes to express a complaint should discuss the matter with the public charter school employee involved.

### The Executive Director: Step Two:

If Step 1 does not resolve the complaint the complainant may file a signed, written complaint within five working days of the meeting with the employee, with the executive director clearly stating the nature of the complaint and a suggested remedy. (A form is available, but is not required.)

The executive director shall investigate the complaint, confer with the complainant and the parties involved and prepare a written report of his or her findings and conclusion within five working days of receipt of the written complaint.

### The Board: Step Three

If the complainant is dissatisfied with the executive director's findings and conclusion, the complainant may appeal the decision by written request to the public charter school Board within five working days of receiving the executive director's decision. The Board may hold a hearing to review the findings and conclusion of the executive director, to hear the complaint and to hear and evaluate any other evidence as it deems appropriate. Generally all parties involved will be asked to attend such meeting for the purposes of presenting additional facts, making further explanations and clarifying the issues.

The public charter school Board may elect to hold the hearing in executive session if the subject matter qualifies under Oregon Revised Statutes.

The complainant shall be informed of the Board's decision within 20 working days from the hearing of the appeal to the Board.<sup>1</sup>

Complaints against the executive director may be filed with the Board chair on behalf of the Board. The Board chair shall present the complaint to the board. If the Board decides an investigation is warranted, the board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. After receiving the results of the investigation, the Board shall decide in open session what action, if any, is warranted.

---

<sup>1</sup>The timelines may be extended upon written agreement between both parties.

Complaints against the Board as a whole or against an individual Board member should be made to the Board chair on behalf of the Board. The Board chair shall present the complaint to the Board. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. After receiving the results of the investigation, the Board shall decide in open session what action if any, is warranted.

Complaints against the Board chair may be made directly to the Board vice president on behalf of the Board. The Board Vice President shall present the complaint to the Board. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete the results will be presented to the Board. After receiving the results of the investigation, the Board shall decide in open session what action, if any, is warranted.

If a complaint alleges a violation of state standards or a violation of other statutory or administrative rule for which State Superintendent of Public Instruction has appeal responsibilities, and the complaint is not resolved at the Board level, then the public charter school will supply the complainant with appropriate information to file a direct appeal to the State Superintendent of as outlined in Oregon Administrative Rule (OAR) 581-022-1940.
