Policy Development

The Board shall establish and be governed by a set of written policies and administrative rules. These policies and administrative regulations shall be distributed in accordance with ORS and OAR and shall be available to interested parties.

The basic responsibility for initiating, reviewing and recommending new policies or policy modification will rest with the superintendent; however, new policies or changes in existing policy may be proposed by any Board member, group or organization, staff member, parent, student or other member of the ESD.

The superintendent, in developing these policies, may be guided by the recommendations of the staff and may seek input from component district staff or ESD patrons during the preparation and subsequent review of policy statements. Advice from legal counsel may be appropriate.

The superintendent will furnish necessary background information and make all final policy recommendations to the Board.
