Student Transportation Services

Transportation of students in ESD programs is, as a general rule, the responsibility of the student's resident district. Arrangements for transportation of each student will be made at the time the student is accepted into an ESD program.

When transporting students to participate in district-sponsored functions, such as field trips, the student's district shall arrange for publicly-owned vehicles which meet or exceed all standards applicable under the state rules and regulations, including child safety system requirements as set forth in ORS 811.210, 815.055 and 815.080 and OAR 735-102-0010.
