Review of Component District Operations

The ESD shall work cooperatively with component school districts and periodically review with component school districts their operations and shall submit to the component school districts plans that achieve economies and efficiencies through consolidation of various operations of all or some of the districts. The education service district and its component school districts shall submit an annual report on the effectiveness of the consolidation of operations to the State Board of Education.

Operations, as defined in OAR 581-024-0228, include accounting, payroll, printing, student transportation, legal services, investments, auditing, insurance and student records management. Other operations to be reviewed will be identified by the State Board of Education prior to September 1 of each school year. Such review shall meet the timelines established by the State Board of Education. The ESD and its component school districts may review such operations and services at any other time, as may be mutually agreed.

After the review, the superintendent shall submit plans to component school districts with recommendations for program economies and efficiencies as may be identified.

The results of the review and plans shall be summarized and reported to the State Board of Education as part of the ESD's annual report no later than June 30 of each year.

The superintendent will develop administrative regulations as may be needed to implement this policy including a description of how the ESD worked cooperatively with component districts to review their operations.
