Evaluation of Board Operational Procedures

The Board will plan for an annual evaluation of its function as a Board. This evaluation may be broadly based on relationships and activities or may be focused on a particular activity or area.

An evaluation plan may be developed by the Board chair and an ad hoc Board committee appointed by the chair, working with the superintendent. Such instruments may be used as the committee considers desirable. Upon Board approval, an outside consultant may develop and lead the appraisal session or work with the Board to set goals for itself or the district.
