Graduation Exercises

Because the Board believes that completion of the requirements for a diploma from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Commencement exercises are held at the high school. The principal shall develop a plan with student involvement to select the speaker, date and organize the program.

The district's valedictorian(s), salutatorian(s) or others at the discretion of the building principal or designee may be permitted to speak as part of the district's planned graduation program. All speeches will be reviewed and approved in advance by the building principal or designee.

There will be no graduation exercises from the sixth or eighth grades, but appropriate awards assemblies may be scheduled by the principal.

All students who have successfully completed the requirements for a high school diploma or for a certificate of attendance or achievement and are in good standing may participate in graduation exercises.
