Supervision of Students**

The Board expects all students to be under assigned adult supervision when they are in school, traveling under school auspices or engaging in school-sponsored activities. Personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except in an emergency situation when other arrangements have been made.

Staff members are required to exercise reasonable supervision and care of school properties and are to report abuses or irregularities to the principal.

Students are not to be dismissed earlier than the regular scheduled day without permission of the principal.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other persons designated by the parents.
