Admission of Part-Time Students

Part-time students may be permitted to attend district schools under the provisions of these regulations. Names and addresses of part-time students shall be submitted to the director of business services.

1. A student normally must reside in McMinnville School District #40, Yamhill County, Oregon with his or her parents or with a person who has been determined by the district as having met the test of “in loco parentis.”
2. A student must meet the statutory requirements of age for admission and attendance in the public school of Oregon and in the district.
3. A student is subject to the rules and regulations of the district regarding registration, attendance, and participation during his or her association with the district.
4. A student must select his or her class or classes from the courses offered by the school in the district and restrict the choices to courses not available in the public or private school in which he or she is primarily enrolled. Modifications of his or her program schedule to accommodate part-time student requests will be made only when it can be done without detracting from the district’s program or exceeding the established budget.
5. A student is subject to provisions of laws of Oregon concerning attendance during the time he or she is enrolled, and the records of the district shall include this information. A student’s accumulation of partially attended days shall be reported to the Department of Education in terms of equated full days.
6. A student shall receive grades and evaluation under the same procedures as those recorded for all other students. The grades and evaluation will be reported to the student and his or her parent(s) or guardian(s).
7. A student who is identified as educationally disabled will receive all rights and protections as required for students with disabilities.
8. A student shall be provided textbooks for the courses in which he or she is enrolled when these textbooks are provided for regularly enrolled students. Textbooks provided without charge or rented through the district may be used only in programs of district schools.
9. A student shall have the same library privileges as regularly enrolled students, but shall not be permitted to use the library services of the district for classes of another school’s program.
10. A student shall not be eligible for participation in school activities or athletics that are not a part of the classes in which he or she is enrolled.

11. Transportation shall be the responsibility of the student and/or parent.
12. A student shall be permitted to participate in the school lunch program is he or she is in attendance in a district school in a class that meets immediately preceding or following the scheduled lunch period.
