

McMinnville School District #40

Code: JECBB
Adopted: 12/10/01
Orig. Code: JECBB

Attendance Areas and Intra-School Transfers

The superintendent shall establish school attendance areas and boundaries with Board approval. These attendance areas may be changed as population conditions warrant or capacities of schools require adjustment of students to school sites.

Students are expected to attend school in the attendance area in which they reside. However, the district provides parents with the option to request others schools, on a space available basis. The superintendent will develop a regulation to administer this policy.
